Re: D.T.E. 01-20 Part A–B - Unbundled Network Elements

Dear Ms. Cottrell:

Enclosed please find an original and 10 copies of three tariff pages in D.T.E. No. 17. These pages are being filed to correct minor administrative/rate errors. The first correction is on Part M, Section 1, page 18 where the “Customer Not Ready Out” expedited charge was incorrectly listed in the tariff as \$79.95. The correct rate is \$79.75. The second correction is on Part M, Section 2.6, page 13 where the title “6.3 Trunk Ports” is being revised to “6.3 Usage.” These two pages will continue to reflect an effective date of August 5, 2002, consistent with the Department’s previous orders in this case. The final revised page is Part M, Section 2.6, page 14. Two corrections are being made to this page: (1) the title “6.3 Trunk Ports” is being changed to “6.3 Usage;” and (2) the Unbundled TC Reciprocal Compensation rate is being changed from \$0.002954 to \$0.003212 to reflect the latest rate approved by the Department for this tariff item. The Unbundled TC Reciprocal Compensation rate was filed on June 2, 2003 and effective on July 2, 2003. This change reflects the most current rate filed by Verizon Massachusetts.

If you have any questions, please do not hesitate to call me.

Sincerely,

Bruce P. Beausejour
